

## Accreditation Council on Optometric Education Accredited Professional Optometric Degree Programs

**November 27, 2023**

The Accreditation Council on Optometric Education has awarded the professional optometric degree programs below one of the following accreditation classifications:

**Accredited:** a classification granted to a program that generally meets the standards for accreditation.

**Accredited with Conditions:** Accredited with Conditions: A classification granted to a program with major deficiencies or weaknesses with reference to the standards of accreditation and indicates that that the educational effectiveness of the program is in jeopardy. *Programs designated **Accredited with Conditions** are listed in Italics; currently, one program is Accredited with Conditions.*

The ACOE posts on its website information associated with its Accreditation Actions and Decisions, including reason(s) and program comments, if any.
