

Accreditation Council on Optometric Education
Accredited Professional Optometric Degree Programs
July 18, 2022

The Accreditation Council on Optometric Education has awarded the professional optometric degree programs below one of the following accreditation classifications:

Accredited: a classification granted to a program that generally meets the standards for accreditation.

Accredited with Conditions: A classification granted to a program with major deficiencies or weaknesses with reference to the standards of accreditation. This classification indicates that the educational effectiveness of the program is in jeopardy. *Currently, there are no programs Accredited with Conditions.*

The ACOE posts on its website information associated with its Accreditation Actions and Decisions, including reason(s) and program comments, if any.
