Accreditation Council on Optometric Education
Accredited Professional Optometric Degree Programs
August 21, 2023

The Accreditation Council on Optometric Education has awarded the professional optometric degree programs below one of the following accreditation classifications:

- **Accredited**: a classification granted to a program that generally meets the standards for accreditation.
- **Accredited with Conditions**: Accredited with Conditions: A classification granted to a program with major deficiencies or weaknesses with reference to the standards of accreditation and indicates that the educational effectiveness of the program is in jeopardy. Programs designated **Accredited with Conditions** are listed in *italics*; currently, one program is Accredited with Conditions.

The ACOE posts on its website information associated with its Accreditation Actions and Decisions, including reason(s) and program comments, if any.

- **Recent Accreditation Actions and Decisions**
- **Notice of programs with Accredited with Conditions status or withdrawal of accreditation**
- **Archive of accreditation action reports**

To verify dates and accreditation status, please send an email to accredit@theacoe.org.
